FOR RELEASE: November 2006

Boat and water equipment repair is easier than ever with Amazing GOOP® Marine!

Whether you're boating, kayaking, scuba diving or rafting – you're bound to face a variety of repair needs. **Amazing GOOP® Marine** is a quick and easy fix for tears, leaky seals, broken hardware and more.

Amazing GOOP® Marine, by Eclectic Products, Inc., is the perfect adhesive for all water-related repairs because it bonds, seals, and sticks to a wide variety of materials with superior strength. It withstands water exposure both above and below the waterline.

Amazing GOOP® Marine dries to a clear, rubbery finish that is unsurpassed in its ability to bond and seal unlike materials together including glass, plastic, metal, leather, vinyl, wood and aluminum. Research & Development results show that Amazing GOOP Marine will remain clear for more than 40 years.

Grab the GOOP to:

- Repair tears in vinyl seats, canopies, life jackets and canvas covers
- Seal windshields, portholes, diving masks and hoses
- Reinforce frayed ropes
- Prevent battery terminal sparking
- Secure hoses to dock lines
- Repair loose boards and peeling laminate surfaces.

The special applicator tip on the 3.7 oz. size makes fine work simple, and it's a convenient size for travel or boat storage. The 10.2 oz. cartridge has a long applicator for hard to reach places and bigger jobs.

Because **Amazing GOOP® Marine** remains flexible after curing, it has a unique ability to withstand movement and temperature extremes without cracking or separating. It is also an excellent sealant and can be painted over after it has cured for maximum ultraviolet protection.

Water enthusiasts keep this superior and versatile adhesive within reach to quickly and easily repair problems as they arise without spoiling the fun.

For a sample of Amazing GOOP® Marine, please contact our Marketing Director, Wilson Woolley, at 1-800-693-4667 or visit our Web site at www.eclecticproducts.com.
